

# Pet Memorial Plaque

It is always a difficult time when your beloved pet passes on, many people don't understand the loss felt when grieving for a departed pet.

In response to requests by pet owners, we have decided to install brass memorial plaques in the reception foyer of the RSPCA South Yorkshire Animal Centre. This is a service not only for people who adopted their pet from the Animal Centre but for anyone wishing to have a lasting memorial to their departed pet.

Not only will you have a lasting reminder of your pet but you will also be helping the RSPCA South Yorkshire Animal Centre to care for the animals at the centre whilst they are awaiting loving new homes.

There is a charge of £20 for the plaque, for a period of 5 years \*  
Please feel free to contact the Animal Centre during office hours if you require further details.

(\* At the end of the 5 year period the plaque will be removed and be held for a period of 2 months for collection.)
